Parking / Traffic Rules and Regulations

1. North High School students MUST complete the following procedures to obtain a permit to park:
 - a. Complete an application
 - b. Show a valid driver's license and provide proof of insurance
 - c. Purchase a \$25.00 permit to park (nonrefundable)
2. State law requires all drivers to carry automobile insurance.
3. Students may park only in areas designated for student parking. Students should arrive early to park in the best spaces since parking is on a "first come, first serve" basis and to ensure you are in class on time (with the exception of reserved spaces). Excessive tardiness to school may result in the suspension or removal of parking privileges. Students parking in staff, visitor, or handicap spaces will face disciplinary consequences.
4. A NHS parking permit must be clearly displayed whenever the vehicle is on campus. Lost or stolen permits must be reported to the office immediately to avoid disciplinary consequences. The replacement fee for a lost permit is \$20.00. Permits may not be used, sold, or transferred to another student.
5. Students must park, exit, and lock your vehicle immediately when arriving on campus. Students cruising or sitting in vehicles will face disciplinary consequences.
6. Students are prohibited from being in the parking lots during the school day. All books, materials and personal items should be brought into the building upon arrival.
7. Students are not allowed to move (or allow other to move) their vehicles or leave campus without following check out procedures through the main office. If a student received permission to move a car or leave campus, other students may not be transported.
8. Student drivers must possess and willingly show their driver's license, school ID, and/or dismissal notice to security and staff members upon request. Vehicles parked on school property are subject to administrative search.
9. Speed limit on campus is 5 MPH.
10. The office and school security should be informed in advance or upon arrival to school if a different vehicle is driven to school other than the one listed on the permit application.
11. If damage is caused to another vehicle, the driver must immediately report the incident to school personnel.

NOTE

Students should remember that driving to school is a privilege. Failure to drive in a safe manner, parking in an unauthorized area, or violation of parking lot regulations could result in the suspension or loss of driving privileges. The student parking lot is an unauthorized area during the school day. Students found in the parking lot without administrative permission may lose their parking permit and be subject to disciplinary consequences. Driving off campus without permission or transporting another student off campus during the school day without permission may result in loss of parking permit and be subject to disciplinary consequences. Vehicles parked on school property are subject to administrative search.

North High School is not financially responsible for vehicular damage or theft that may occur while the vehicle is on campus. However, campus security can complete an accident report that the student can submit to the student's automobile insurer. The administration will administer appropriate disciplinary action if vehicle damage is the result of campus safety or rules violations.
